

**AMENDMENT TO THE SPECIFICATION**

Please amend Paragraph [0001] as follows:

This application claims priority to U.S. non-provisional application entitled, "Multi-Friction Sleeve Cone Penetrometer Attachment," having Ser. No. 09/907,412, filed July 17, 2001, which is now issued as U.S. Patent No. 6,701,771, issued March 9, 2004, and entirely incorporated herein by reference.
